Maximum Prize Value	\$2,000

NO PURCHASE NECESSARY. A PURCHASE OR PAYMENT WILL NOT INCREASE AN ENTRANT'S CHANCES OF WINNING. VOID WHERE PROHIBITED.

These Official Rules govern the FOMO Bounce September Anniversary Giveaway (the "Promotion"). By entering, each entrant agrees to these Official Rules and to the decisions of FOMO BOUNCE LLC, which will be final and binding to the extent permitted by law. This Promotion includes a first-round tagging competition followed by a finalist video competition determined by verified Instagram likes.

1. Sponsor

The Promotion is sponsored and administered solely by FOMO BOUNCE LLC, doing business as FOMO Bounce & Party Rentals ("Sponsor" or "FOMO Bounce"), located at:

1784 NW Madrid Way Boca Raton, Florida 33432 Phone: (561) 728-1660 Email: info@fomobounce.com Website: <https://fomobounce.com>

No other person or entity is responsible for sponsoring or administering the Promotion.

FOMO Bounce's official Instagram account for this Promotion is @fomobounce (<https://www.instagram.com/fomobounce/>). Entrants must also follow @fomofestivals (<https://www.instagram.com/fomofestivals/>) as a condition of entry. Requiring entrants to follow @fomofestivals does not make that account or its owner a sponsor or administrator of the Promotion.

2. Eligibility

The Promotion is open only to legal residents of the State of Florida who:

- 1 Are at least eighteen (18) years old at the time of entry;
- 2 Enter using an Instagram account they personally own or control;
- 3 Can provide an eligible event address within FOMO Bounce's standard 15-mile free-delivery service area described below; and
- 4 Comply fully with these Official Rules.

Employees, owners, officers, contractors, vendors, service providers, representatives and agents of FOMO BOUNCE LLC, as well as their immediate family members and members of their households, are not eligible. "Immediate family" includes a spouse, parent, child, sibling and the spouse of each such person, regardless of where they live.

Limit one eligible entrant per household. If more than one person from the same household enters, only the first otherwise eligible entrant, as determined by Sponsor's records and Instagram timestamps, will remain eligible.

The prize may be used for an event honoring or attended by a child or another person, but the entrant, finalist and potential winner must be an eligible adult.

3. Eligible Event Area

All prize events must take place at an eligible residential, commercial or approved event venue located within FOMO Bounce's standard free-delivery service area, defined as no more than fifteen (15) miles from FOMO BOUNCE LLC, 1784 NW Madrid Way, Boca Raton, Florida 33432.

Distance will be determined exclusively by FOMO Bounce's reservation system, using the exact event address entered into that system. The reservation system's determination of whether an address falls within the standard 15-mile free-delivery service area will control and will be applied consistently to every potential winner.

An entrant may reside elsewhere in Florida, but the prize event must occur at a verified address within the eligible 15-mile service area. A potential winner will have forty-eight (48) hours after Sponsor requests the event address to provide an eligible address. Locations outside the eligible service area are not permitted, and a winner may not pay an additional mileage or delivery fee to extend a prize beyond the eligible area.

The event location must provide sufficient space, safe access, an approved setup surface and all required electrical and water connections for the selected prize. The winner is responsible for securing property-owner, venue, HOA, school, park or governmental permission and for paying any third-party venue fee, park charge, permit or approval cost. FOMO Bounce will not charge the winner for delivery, setup, takedown, pickup or applicable taxes associated with the awarded prize.

4. Promotion Period and Official Time

The Promotion begins on September 9, 2026, at 12:00 p.m. Eastern Time ("ET") and continues through the winner announcement on September 26, 2026, subject to the separate deadlines below.

- Round 1 opens: September 9, 2026, at 12:00 p.m. ET.
- Round 1 closes: September 16, 2026, at 11:59 p.m. ET.
- Round 1 counting and verification: September 17, 2026.
- Top Five announcement: September 18, 2026.
- Finalist video creation and submission period: September 19 through September 20, 2026, with all videos due by 8:00 p.m. ET on September 20.
- Public Voting Period opens: September 21, 2026, at 11:00 a.m. ET.
- Public Voting Period closes: September 25, 2026, at 8:00 p.m. ET.
- Winners announced: September 26, 2026, at the FOMO Bounce Anniversary Party and/or through FOMO Bounce's official Instagram account.

Sponsor's records and designated timekeeping system are the official timekeepers. Instagram timestamps and engagement displays may be used as supporting records but are subject to Sponsor's verification.

5. How to Enter Round 1

During the Round 1 entry period, an eligible entrant must:

- 1 Follow FOMO Bounce's official Instagram account, @fomobounce;
- 2 Follow @fomofestivals;
- 3 Like the original official Giveaway launch post published by FOMO Bounce on September 9, 2026; and
- 4 Tag personal Instagram accounts individually in the comments of that original Giveaway launch post.

No purchase, rental, deposit, payment, quote request or event booking is required.

An entrant may submit multiple tagging comments, but each comment must tag only one different, valid personal Instagram account. Each tagged account may count only once toward that entrant's total, regardless of how many times it is tagged. Tagging multiple accounts in one comment will not create additional valid tags beyond any one tag Sponsor can verify under these Rules.

Self-tags, duplicate tags, business accounts, celebrity accounts, fictional accounts, inactive or spam accounts, accounts created or controlled primarily to manipulate the Promotion and accounts Sponsor reasonably determines are automated or inauthentic will not count. The person tagged is not required to enter the Promotion. Entrants may not harass, threaten, impersonate or repeatedly target another person in connection with tagging.

Comments placed on reminder posts, Stories, finalist posts or any post other than the original September 9 Giveaway launch post do not count as Round 1 entries.

An entry is received only when it is visible to and verifiable by Sponsor. Sponsor is not responsible for comments hidden, filtered, deleted, delayed or made unavailable by Instagram or by an entrant's privacy settings.

6. Round 1 Verification and Selection of Finalists

After Round 1 closes, Sponsor will count verified valid unique tags for each eligible entrant. Sponsor may remove duplicate, business, celebrity, fake, spam, automated, repeated or otherwise invalid tags according to these Official Rules.

The five eligible entrants with the highest numbers of verified valid unique tags will become the five finalists, provided each has followed both @fomobounce and @fomofestivals, liked the original Giveaway post and satisfied all other Round 1 requirements.

Sponsor will not publish preliminary tag totals or advise entrants how many tags are needed to qualify.

If two or more entrants are tied for the final qualifying position, the entrant who first reached the tied number of verified valid unique tags, based on the timestamps available to Sponsor, will receive the higher position. If Sponsor cannot reliably determine which entrant reached the total first, Sponsor will apply a documented, impartial random selection among only the tied eligible entrants.

Sponsor may also preserve a verified alternate ranking of additional Round 1 participants for use if a finalist or winner is disqualified, becomes ineligible, fails to respond or declines a prize.

7. Finalist Eligibility Confirmation

Before or after announcing the Top Five, Sponsor may require a potential finalist to provide their full legal name, proof of age, proof of Florida residency, household information, contact information and other documentation reasonably necessary to verify eligibility.

A potential finalist who fails to provide requested information within Sponsor's stated deadline, provides false information, cannot verify eligibility or otherwise violates these Official Rules may be disqualified and replaced by the next-highest-ranked verified eligible Round 1 participant.

8. Finalist Video Requirements

Each verified finalist must create and submit an original Instagram Reel lasting approximately thirty (30) to sixty (60) seconds that answers:

“Why should FOMO Bounce bring the party to YOU?”

The Reel must:

- 1 Be submitted no later than September 20, 2026, at 8:00 p.m. ET;
- 2 Be posted from the finalist's Instagram account;
- 3 Tag @fomobounce and invite @fomobounce as an Instagram Collaborator;
- 4 Remain publicly viewable through completion of voting and verification;
- 5 Keep the number of likes publicly visible throughout voting and verification;
- 6 Be original and created for the finalist's participation in the Promotion; and
- 7 Comply with Instagram's terms and all applicable laws.

The Reel must not contain dangerous conduct, unsafe inflatable use, unlawful material, hate speech, harassment, nudity, obscenity, infringement, unauthorized commercial content or content that could reasonably harm FOMO Bounce or another person. Finalists must have permission from every identifiable adult appearing in the Reel and permission from a parent or legal guardian for every identifiable minor appearing in it. Finalists are responsible for using music, photographs, video and other material they are legally permitted to use.

A finalist who misses the deadline, fails to invite FOMO Bounce as collaborator, hides likes, makes the account private, deletes the Reel, removes FOMO Bounce as collaborator or prevents Sponsor from verifying engagement may be disqualified and replaced when reasonably practicable.

9. License to Use Finalist Content

By submitting a finalist Reel, the finalist retains ownership of the content but grants FOMO BOUNCE LLC a non-exclusive, royalty-free, worldwide license to repost, reproduce, display, edit for length or formatting and otherwise use the Reel, together with the finalist's name, Instagram username, image, voice and likeness, for administering, announcing, documenting and promoting the Promotion and FOMO Bounce, in any media, without additional compensation, to the extent permitted by law.

Sponsor will not be required to use any submitted content. The finalist represents that they have obtained all permissions necessary to grant this license.

10. Public Voting and Determination of Winners

Public voting begins on September 21, 2026, at 11:00 a.m. ET and ends on September 25, 2026, at 8:00 p.m. ET.

Winners will be ranked exclusively according to the number of verified valid likes received by each finalist's official Instagram Collaboration Reel during the Public Voting Period. One valid like from one authentic Instagram account equals one vote. Likes received before the opening time or after the closing time do not count.

Finalists may share and promote their Reels organically. Finalists and persons acting on their behalf may not purchase likes, use automated engagement, bots, click farms, coordinated fake accounts, scripts, vote-exchange services, incentives conditioned on voting or any other method intended to create inauthentic engagement.

Instagram's publicly displayed like count is preliminary and may differ from Sponsor's final verified count. Sponsor may review and exclude likes reasonably determined, using documented and consistently applied criteria, to be automated, purchased, duplicated, fraudulent or otherwise manipulated. A private account, an account with few posts or an account located outside the service area will not, by itself, automatically be considered fraudulent.

Sponsor may request information from a finalist concerning unusual engagement. Suspicious likes may be removed from the verified total without automatically disqualifying the finalist. A finalist may be disqualified when Sponsor reasonably determines that the finalist, a household member or a person acting at the finalist's direction knowingly purchased, arranged or materially participated in prohibited manipulation.

Sponsor will record the public closing counts and maintain an internal verification record. Sponsor's final verified counts, not the preliminary counts displayed by Instagram, will determine ranking.

11. Tie-Breaking Procedure

If two or more finalists receive the same number of verified valid likes, a designated FOMO Bounce judging panel will evaluate only the tied finalist videos using the following criteria:

- Creativity and originality: 40%;
- Response to "Why should FOMO Bounce bring the party to you?": 30%;
- Personality and family involvement: 20%; and
- Overall effort and presentation: 10%.

The tied finalist receiving the highest total judging score will receive the higher placement. If the judging totals are also tied, Creativity and Originality will serve as the controlling criterion. If a tie still remains, the judging panel will conduct a final comparative evaluation using all published criteria and document its decision.

12. Prizes and Approximate Retail Values

Three prize placements are available. The maximum total Approximate Retail Value ("ARV") of all advertised prizes is \$2,000.

First Place - Winner's Choice

The verified First-Place winner chooses one of the following prize options:

A. Eligible Inflatable Rental

One overnight rental of one eligible FOMO Bounce inflatable. Eligible categories may include Bounce Houses, Bounce & Slide Combos, Water Slides and Obstacle Courses, but eligibility is controlled exclusively by Sponsor's official Eligible Inflatable List published for this Promotion.

ARV: \$300-\$1,150, depending on the selected eligible inflatable.

The prize applies to one individual eligible inflatable only. It may not be divided among multiple products, used to create a package, applied toward an existing package, combined with other products or converted into a general account credit. Any unused value is forfeited and will not be provided as cash or credit.

The inflatable will be delivered and professionally set up on the scheduled delivery date and picked up the following day, according to FOMO Bounce's standard overnight rental schedule.

The complete list of eligible and excluded inflatables appears in Section 12A of these Official Rules.

B. Two-Hour Foam Party Experience

One continuous two-hour Foam Party Experience.

ARV: \$700.

The prize includes one foam machine, a trained on-site attendant, foam solution for up to two hours of continuous foam activity, two tanks of foam solution, biodegradable, hypoallergenic and non-staining foam, a basic speaker with playlist, goggles for participating children, delivery, professional setup and takedown.

The winner or venue must provide access to one suitable electrical outlet and a functioning water-hose connection. The two-hour period may not be divided among multiple dates, locations or events.

Colored foam, scented foam, UV glow foam, professional-speaker upgrades, additional tanks, additional time and other add-ons are not included. Optional additions may be purchased separately at regular prices, subject to availability.

Second Place - Winner's Choice

The verified Second-Place winner chooses one of the following prize options, with a maximum ARV of \$700:

- One overnight rental of one eligible FOMO Bounce inflatable with a published base rental value of no more than \$700; or
- One continuous Two-Hour Foam Party Experience, as described above, with an ARV of \$700.

The Second-Place winner's selection is independent of the First-Place winner's selection. Both winners may select the same type of prize, subject to the applicable value limit, product eligibility, availability and all other restrictions in these Official Rules. An inflatable selected by the Second-Place winner must appear on the Official Inflatable Eligibility List and have a published base rental value of \$700 or less at the time the Promotion begins.

The Second-Place prize applies to one qualifying inflatable rental or one Two-Hour Foam Party Experience only. It may not be divided among multiple products, combined with other products, applied toward a higher-priced inflatable or package, or converted into general account credit. Any unused value is forfeited and will not be provided as cash or credit.

Third Place

The verified Third-Place winner receives one \$150 FOMO Bounce Credit toward any eligible product or service offered directly by FOMO Bounce.

The credit:

- Is limited to one per household and event;
- May not be combined with another credit, discount or promotion;
- Is non-transferable;
- Has no cash value; and
- Must be fully used in accordance with the redemption deadline below.

Inflatables and Experiences Excluded from the Giveaway

The following products are expressly excluded and may not be selected or substituted as the Inflatable Rental Prize:

- NERF Zone Battle Maze
- Bumper Cars
- Unicorn Ride-On Arena
- Human Hamster Wheels
- Wiggle Racers Speedway
- Balloon Bubble House
- Water Gun Battle Maze

All eligible selections remain subject to availability, blackout dates, site requirements, safe operating conditions and the other restrictions stated in these Official Rules. The prize may not be applied toward an excluded product, even if the excluded product's price falls within the stated prize-value range.

13. Prize Costs, Limitations and Conditions

The First- and Second-Place prize options include FOMO Bounce delivery, professional setup, takedown, pickup and applicable taxes at no charge to the winner when redeemed at an eligible event location.

Optional upgrades, extra hours, extra tanks, additional rental products and services not expressly identified as included are the winner's responsibility. Third-party venue charges, park fees, permits, HOA fees, utility access costs and other amounts charged by someone other than FOMO Bounce are not included.

Prizes are subject to availability, the official eligible-product list, blackout dates, equipment availability, venue approval, adequate space, approved setup surfaces, safe access, electrical and water requirements, weather conditions, safety requirements and FOMO Bounce's standard rental agreement and operating policies.

Prizes may not be transferred, sold, auctioned, assigned, exchanged for cash or substituted by a winner. Sponsor may substitute a prize component only when it becomes unavailable for reasons outside Sponsor's reasonable control, and only with a component of equal or greater value where permitted by law.

The winner must sign Sponsor's standard rental agreement and comply with all safety and supervision rules. An adult must supervise inflatable use at all times.

14. Blackout Dates

Prizes and the Third-Place credit may not be redeemed on the following dates:

- November 3 through November 10, 2026, inclusive; and
- November 25 through November 29, 2026, inclusive; and
- December 4 through December 6, 2026, inclusive.

No prize delivery, setup, event service, takedown or pickup may be scheduled or performed on a blackout date. Because the Inflatable Rental Prize is an overnight rental, the selected delivery date must allow the following-day pickup to occur outside a blackout period. For example, an inflatable may not be delivered on November 2 for pickup on November 3.

The blackout list must be published before the Promotion begins. Except for closures required by safety, weather, emergency, law or circumstances outside Sponsor's reasonable control, Sponsor will not add blackout dates after the Promotion begins.

15. Redemption Deadline

All prizes and the Third-Place credit must be fully redeemed, performed and completed no later than December 20, 2026. Merely contacting Sponsor or making a reservation before the deadline does not constitute redemption.

For an Inflatable Rental Prize, delivery, setup, use, takedown and pickup must all be completed on or before December 20, 2026. Because the prize is an overnight rental, the selected delivery date must allow pickup to be completed by December 20, 2026.

For the Foam Party Prize, setup, the complete two-hour Foam Party and takedown must all be completed by December 20, 2026.

For the \$150 Third-Place credit, the rental or service to which the credit is applied, including any required pickup, must be fully completed by December 20, 2026.

Failure to complete redemption by the deadline results in forfeiture without cash payment, replacement or account credit, except when Sponsor provides a written exception required by law.

16. Weather, Safety and Rescheduling

Prize rentals are subject to FOMO Bounce's standard weather and safety policies and signed rental agreement. FOMO Bounce offers free weather-related rescheduling with at least twenty-four (24) hours' notice, subject to availability. Inflatables may not be operated during high winds, storms or other conditions Sponsor reasonably determines are unsafe.

Any rescheduled prize event must still be fully completed by December 20, 2026, unless Sponsor provides a written exception because Sponsor determines that no safe and reasonably available date remains. The current rental terms are available at <https://fomobounce.com/terms>.

17. Winner Announcement, Notification and Verification

Sponsor expects to announce the ranked potential winners live at the FOMO Bounce Anniversary Party on September 26, 2026, and/or through FOMO Bounce's official Instagram account, @fomobounce. A public announcement does not replace private notification and does not make a person an official winner until eligibility and compliance have been verified.

Potential winners do not need to attend the Anniversary Party. Sponsor will attempt to contact potential winners through Instagram Direct Message and, when available, by email or telephone.

Potential winners may be required to provide:

- Full legal name;
- Government-issued proof of age and identity;
- Proof of Florida residency;
- Household and contact information;
- The complete eligible event address;
- A signed eligibility, liability and publicity release, where lawful; and
- Any other documentation reasonably necessary to verify eligibility and administer the prize.

Information must correspond to the individual who owns or controls the Instagram account used to enter. Providing false information, failing to verify eligibility or failing to comply with these Official Rules will result in disqualification and will be treated as failure to respond.

18. Response Deadlines and Advancement

The First-Place potential winner has forty-eight (48) hours from Sponsor's first official private notification to respond, verify eligibility, accept the prize and select one First-Place prize option.

If the First-Place potential winner fails to respond within 48 hours, declines the prize or cannot verify eligibility, that person is disqualified and receives no prize. The Second-Place finalist advances to First Place and has twenty-four (24) hours after notification to respond, verify eligibility and select one First-Place prize option. The Third-Place finalist advances to Second Place and, subject to verification, may select one Second-Place prize option. The Fourth-Place finalist advances to Third Place and, subject to verification, receives the \$150 FOMO Bounce Credit.

If an advanced potential winner fails to respond within 24 hours, declines the prize or cannot verify eligibility, the next eligible finalist in the verified ranking advances to that placement, and all lower-ranked eligible finalists advance accordingly. A person advancing to First Place may select one First-Place prize option; a person advancing to Second Place may select one Second-Place prize option; and a person advancing to Third Place receives the \$150 FOMO Bounce Credit.

This advancement continues through the verified Top Five and, if necessary, the alternate ranking described below. No person or household may receive more than one prize. If fewer than three Top Five finalists remain eligible and responsive, Sponsor will use the Alternate Winner Procedure to attempt to award each vacant prize placement.

When a finalist advances to a higher prize placement, lower-ranked eligible finalists advance accordingly. Sponsor may award any resulting vacant prize placement to the next-highest-ranked eligible Round 1 alternate so that all advertised prizes can be awarded.

19. Alternate Winner Procedure

Sponsor may maintain an alternate ranking of the next-highest verified eligible Round 1 participants. If a Top Five finalist is disqualified, becomes ineligible, declines, fails to respond or an additional recipient is required, Sponsor may contact alternates in descending order of verified Round 1 ranking.

Each alternate will have twenty-four (24) hours after Sponsor's first notification to respond and verify eligibility. The process may continue through successive alternates until the applicable prize is awarded or Sponsor reasonably exhausts the verified eligible alternate list.

If no Top Five finalist or verified alternate responds, accepts and verifies eligibility after reasonable documented notification attempts, the affected prize may be declared unclaimed to the extent permitted by law. Sponsor will maintain records of its notification attempts and the reason each potential recipient was found ineligible, disqualified or nonresponsive.

20. Prohibited Conduct and Disqualification

Sponsor may disqualify an entrant or finalist for a documented violation of these Official Rules, including:

- Providing false eligibility or identity information;
- Entering through multiple people or accounts from the same household;
- Using unauthorized automated entry or engagement methods;
- Purchasing, arranging or knowingly participating in fake tags or likes;
- Tampering with the entry, finalist or verification process;
- Harassing another participant;
- Interfering with another participant's Reel or account;
- Violating Instagram's terms;
- Submitting infringing, unsafe, unlawful or prohibited content; or
- Preventing Sponsor from verifying the entry, video or like count.

Sponsor will not arbitrarily reject entries or votes. Decisions will be based on these published Rules, available evidence and criteria applied consistently and in good faith.

21. Technical Problems and Unavailable Entries

Sponsor is not responsible for internet, device, software, account, platform or network failures; unavailable or delayed comments; hidden or removed likes; deleted accounts; incorrect account settings; interrupted collaboration invitations; hacking; platform outages; or other technical circumstances outside Sponsor's reasonable control.

If Instagram removes an engagement or account, Sponsor may treat it as unavailable for verification. Screenshots supplied by an entrant do not override Sponsor's records or Instagram data.

If technical failure, fraud, emergency, weather, law, platform action or another circumstance outside Sponsor's reasonable control materially impairs fair administration, Sponsor may suspend, modify or cancel the affected portion of the Promotion and determine results from the valid, verifiable participation received before the impairment, using a method consistent with these Official Rules and applicable law.

22. Publicity and Privacy

Except where prohibited, by accepting a prize, a winner authorizes Sponsor to use the winner's name, city, Instagram username, image, voice, likeness, finalist Reel, prize information and winner reaction for Promotion administration, winner announcements and reasonable promotional purposes without additional compensation.

Personal information collected for verification and fulfillment will be used to administer the Promotion, verify eligibility, communicate with participants, fulfill prizes and comply with law. Participation does not automatically enroll an entrant in promotional email or text marketing. Sponsor's Privacy Policy is available at <https://fomobounce.com/privacy>.

Winner identity documents and residential information should not be published except as required by law. Sponsor may publish a winner's name, city and prize.

23. Release and Limitation of Liability

To the fullest extent permitted by law, entrants agree to release and hold harmless FOMO BOUNCE LLC and its owners, officers, employees, contractors, representatives and agents from claims arising out of participation in the Promotion, acceptance or use of a prize, or permitted use of submitted content, except to the extent a claim cannot lawfully be waived.

Nothing in these Official Rules eliminates the requirement to sign and comply with Sponsor's standard rental agreement, safety requirements, supervision obligations and venue conditions. Sponsor is not responsible for third-party venues, permits, utilities, services or conduct.

24. Taxes

Winners are responsible for any federal, state or local tax obligation and for expenses not expressly stated as included. Sponsor may require tax information or issue tax documentation when required by law.

25. Instagram and Meta Disclaimer

This Promotion is not sponsored, endorsed, administered by or associated with Instagram or Meta. By entering, each participant releases Instagram and Meta from responsibility associated with this Promotion to the extent permitted by law. Questions, comments and complaints regarding the Promotion must be directed to FOMO BOUNCE LLC and not to Instagram or Meta.

26. Governing Law and Interpretation

The Promotion and these Official Rules are governed by the laws of the State of Florida, without regard to conflict-of-law principles. Subject to applicable law, disputes relating to the Promotion will be brought in a court of competent jurisdiction in Palm Beach County, Florida.

If any provision is held invalid or unenforceable, the remaining provisions will remain in effect. Sponsor's failure to enforce a provision does not waive that provision. Headings are for convenience only.

If any Giveaway post, Story, message, advertisement or abbreviated disclosure conflicts with these Official Rules, these Official Rules control, except where prohibited by law. Sponsor may correct typographical or clerical errors that do not materially alter the Promotion, but will not materially change the method of entry, winner selection, eligibility or prizes after the Promotion begins except when required by law or circumstances outside Sponsor's reasonable control.

27. Winner Information and Questions

To request the names of the winners or ask a question about the Promotion, contact:

FOMO BOUNCE LLC Email: info@fomobounce.com Phone: (561) 728-1660 Mail: 1784 NW Madrid Way, Boca Raton, FL 33432

Requests for winner information should be received within ninety (90) days after the Promotion ends. Sponsor may provide the winners' names, cities and prizes while protecting nonpublic personal information.
